AN INVITATION FROM NaIP-2009 EXHIBITOR

Your Invitation . . .

You are cordially invited to attend the **New & Innovative Products Forum 2009** as our guest & share in the benefits of this new concept event. Please note our on-site display location in the program at registration & visit us during the day - we look forward to seeing you at this new & innovative event.

The Utility Industry's Newest, Most Intelligent Event!

NaIP-2009 concept & design is set to encourage product development & research, displaying New & Innovative Products to a national audience of informed specialists. We invite you to be part of that audience.

This new event concept welcomes all product suppliers servicing the Australian Utilities Industry – including network management, smart grid, system reliability, protection, asset management, safety, training, plant, tools & equipment, field operations, testing, e-mobile communications & data transfer, planning & design etc., especially those products that fit into a New & Innovative Products category.

NaIP-2009 event features -

- New & Innovative Products Formal Demos & Presentations Program
- Expo of all Products – New & Existing
- Valuable Networking Opportunities
- Informed Audience of the '*RIGHT PEOPLE*'
- New Product Development Opportunities
- \$12,000 Exhibitor Awards sponsored by the Australian Power & Energy News
- Industry Wide Media Support from the Australian Power & Energy News

The delegate aim is broad, encompassing anyone in the Utilities Industry involved in selection and procurement of products covering the above work areas.

DELEGATE ATTENDANCE TO ALL NaIP-2009 ACTIVITIES IS FREE
